RECOGNITION OF PRIOR LEARNING

If you have a set of skills or experience in this industry come and talk to TAFE NSW, we may be able to help you align those skills with a course and assist you to work out just what you need to do to get a nationally recognised qualification.

COURSE FEES

This training is subsidised by the NSW Government. The fee for this course will depend on the availability of NSW Government subsidised training places, your eligibility to access a subsidised place and your personal circumstances regarding a concession or an exemption.

We can provide a personal fee assessment and find out if you are eligible for a government subsidised place. We can also discuss payment options with you. If you do not gain a NSW Government subsidised place you may be able to enrol and pay the non-subsidised fee for this course.

Call your local TAFE NSW or course information on 1300 823 393. More information can also be found at www.smartandskilled.nsw.gov.au

AGSKILLED

AgSkilled is a NSW Government initiative, with industry partners Cotton Australia and the GRDC, to provide the Cotton and Grains industries with vocational training to drive the profitability and productivity of both industries.

To be eligible for AgSkilled subsidised training you must be working in or seeking employment in the NSW cotton or grains industry. You must also meet the Smart and Skilled eligibility requirements.
